## Dental Clinic

The Dental Clinic operates under the concept that everyone is entitled to an adequate level of dental care for needed services. EGCC's Dental Clinic provides dental services to all people of any age or economic background. We offer a low fee scale to all patients.

Emphasis is placed on the promotion of good oral health by offering dental services that includes dental exams, x-rays, and white and silver fillings. The clinic is located on the Jefferson County Campus in Steubenville, Ohio.

Working with the EFDA and Dental Assisting students at EGCC, our experienced and caring dentists donate their time to provide a much needed service to our community.
