

Dear EFDA Applicant,

Thank you for your interest in the EFDA program at Eastern Gateway Community College. The EFDA program is designed to prepare Certified Dental Assistants or Licensed Dental Hygienists to apply for the Expanded Functions Dental Auxiliary (EFDA) board examination administered by the Commission on Dental Testing in Ohio. Experiences are provided for quality, knowledgeable patient care as an entry level EFDA. This course includes 200 hours of instruction, progressing from pre-clinical laboratory activities to faculty supervised clinical experience. The EFDA Program is a rigorous and challenging course. Students must be very familiar with restorative procedures, have the ability to use both direct and indirect mirror vision to complete and evaluate restorations, and the necessary dexterity to perfect fine motor skills to enable the accurate and safe application of dental handpieces and instruments.

The EFDA program at EGCC has a Fall semester startup date. The curriculum consists of a Fall and Spring Semester as well as a Summer session. Currently we have one EFDA class with a limit of seven (7) students per academic year. THE LAB PORTION OF THE EFDA CLASS IS HELD ON FRIDAYS, 8-12:50. The theory portion of this class is offered **on-line**. During the Spring semester, students are required to complete mandatory clinical hours in their dental office and on Saturdays at EGCC's Dental Clinic.

You must complete and submit all admission requirements before you can be accepted into the EFDA Program at EGCC; all material must be submitted and reviewed before your acceptance process can be completed. The college has a rolling admission policy (first-come, first-placed) basis. Once a class is full for a particular year, valid applications are accepted for the next year.

Students will not be accepted into the EFDA Program until all other requirements are completed. Those requirements include:

1. **Notarized** copy of current CDA credential or RDH license
2. Proof of **HBV vaccination or HBV titer**
3. **TB testing. The 2- step Mantoux is required. (Annual PPD is acceptable if no more than 12 months between the 2 step).**
4. **BCI/FBI background check documentation**
5. Proof of at least **Two (2) Years Work Experience** as a general dentistry Chairside Dental Assistant; with experience occurring within the last 5 years, as of the date of application. (See attached form) or as a Registered Dental Hygienist.
6. Proof of **current CPR certification** must be submitted for the year you are accepted as an EFDA student; continual certification is required while in the EFDA Program
7. Two (2) letters of **professional** recommendation
8. Personal Statement
9. Employer Recommendation Form
10. Signed acknowledgement of Program Performance Requirements

Please submit all admissions materials to: Eastern Gateway Community College
Health Admissions Department
4000 Sunset Blvd.
Steubenville, OH 43952

After acceptance into the EFDA program you will be contacted regarding the scheduling of your classes.

Employed auxiliaries will be given priority consideration and four-handed dental experience is expected. It is important to note before applying for the EFDA program at EGCC, that according to various State Laws and Regulations for Certification and Licensure Boards, persons convicted of a felony or misdemeanor may not be able to take the licensure or certification examinations and may be refused acceptance of placement by the clinical/practicum sites; or may have restrictions placed on their ability to practice. *For more information, please contact the applicable licensure/certification board.*

The EFDA program is very demanding of the student's time and energy. Attendance is required for **ALL** scheduled lecture, laboratory, and clinical sessions. Students are required to complete weekly homework assignments include reading the textbook and manual, as well as completing specified restorative procedures on the typodont. Weekly written quizzes and practical examinations are given during the DAS 203 and DAS 204 clinical courses. Students continue to practice on typodont teeth, in preparation for the certifying board exam, throughout the clinical portion of the course and students are highly encouraged to practice on their own. Students must have access to a dental operator/laboratory space where they can restore typodont teeth with both amalgam and composite materials.

I hope I have given you all the necessary information that you may need concerning our EFDA Program. Please feel free to contact me at 740-266-9666, if you have additional questions or concerns.

Sincerely

Tammy L. Graham, CDA, EFDA, RDH, M.H.Sc.
Program Director, Dental Assisting and EFDA

I understand that if my auxiliary is accepted into the EFDA Program at EGCC I will be expected to allow her / him to place restorations on patients in my office under my Direct Supervision in order to complete required restorations to complete the program. I also understand that I must grade the restorations and provide grade documentation.

Personal Statement (attach additional page, if necessary)

In the space below, please address the following:

1. Why you would like to become an EFDA?
2. Your knowledge of EFDA duties (in Ohio).
3. Your willingness and ability to spend the necessary time, outside class, to complete required reading and studying.
4. Explain how you plan to use your EFDA training once you pass the state boards.

EASTERN GATEWAY COMMUNITY COLLEGE
Expanded Functions Dental Auxiliary Program
Employer Recommendation Form

The purpose of this form is to assist the admissions committee in selecting students applying to the EFDA Program that show evidence of the skills necessary to become an EFDA in Ohio. This information is held in strict confidence and will be used solely for making decisions about annual admittance into the EFDA Program.

Applicant's Name: _____ Date: _____

Length of employment with current employer – dentist _____

The following evaluation should be based on demonstrated performance compared to that reasonably expected of an auxiliary at his or her level of training, experience and background.
Please place an "X" in the appropriate box listed for each item listed:

PERFORMANCE	POOR	FAIR	GOOD	SUPERIOR	NOT OBSERVED
Basic Professional Knowledge	X				
Judgment					
Professional Manner and Appearance					
Technical / Hand Skills					
Following Direction					
Cooperativeness					
Punctuality / Dependability					
Communication Skills					

Current Dentist:

Employer Name (Printed):

Address: _____

Phone: _____

EGCC EFDA Program Performance Requirements

All students admitted to the Expanded Function Dental Auxiliary Program must be able to meet the following requirements:

1. Students must be familiar with restorative procedures
2. Students should be able to use both direct vision and indirect mirror vision to complete and evaluate restorations, and will have to perfect fine motor skills to enable the accurate and safe application of dental handpieces and instruments.
3. Students must be familiar with basic dental terms and nomenclature.
4. Students must be able to function effectively under the time constraints of the program and display flexibility in the event of changing lab and clinical situations.
5. Students must be able to apply didactic learning (theory) to clinical situations.
6. Students must be able to hear and communicate effectively, follow directions and act professionally in class and when delivering patient care.
7. Students must be able to read the printed words in EFDA textbooks and supplemental information, observe various dental instrument angulations and apply the concepts appropriately.
8. Student's eyesight must be able to visualize fine detail (either naturally or corrected), have depth perception and have the ability to visualize three dimensional objects.
9. Students must be physically free of the use of non-prescription drugs, illegal drugs and alcohol.
10. Students must show acceptable progress and pre-clinical competency in the program by a prescribed time before they are allowed to provide care to patients.

I acknowledge that I have read and understand the program performance requirements expected of me should I be accepted into the EFDA Program.
