NOTE: There is a 5-year limit on all required science courses.

- A criminal records check by the Ohio Bureau of Criminal Identification and Investigation (BCI) and FBI must be completed prior to applying to the PN Program. The bureau will forward this information to the Ohio Board of Nursing.
- Submit a current CPR card (American Heart Association BLS Provider). Submit a copy to the program administrator and the EGCC Medical Records Specialist.
- Clinical sites reserve the right to prohibit a student with a criminal background history from caring for patients in their facilities based on the infraction.
- The Ohio Board of Nursing has the right to prohibit a nursing graduate to take the State Board Exam based on a past felony conviction. See www.nursing.ohio.gov.
- A random drug test may be conducted during the ADN Program.

▲ Student must obtain a letter grade of P (Pass) or B or better to progress to graduation (see ADN Handbook). A “B” in a RN course is 85%.

73 credits HCW to ADN program (18 pre-requisites; 16 General Education credits; 39 Technical Nursing credits)

4 credits (NUR999) Nursing Proficiency granted for prior courses for completion of MA,RT, or Paramedic training and certification at the completion of NUR103.
