34 SEMESTER CREDITS

See course descriptions for prerequisites and co-requisites.

▲ Student must obtain a letter grade of P (Pass) or C or better to progress to graduation/certification (see Dental Assisting Handbook).

*To be eligible to enroll in summer DAS201 and DAS202, the student must satisfy all courses in the preceding Semester I and Semester II with a minimum of a "C" average in each course.

The student must submit current verification of CPR certification training to the medical records specialist prior to the start of Semester I (see the Dental Assisting Handbook for DANB approved courses). First Aid/CPR courses (HSC102) are offered all semesters, including summer sessions.

The CDA who desires to continue her/his education in dental assisting can enroll in second-year courses leading to an Associate Degree of Applied Science, Dental Assisting, with two optional pathways: transfer or EFDA.
