#### **C. Eastern Gateway Community College's Response to a Report of Crime**

College officials will investigate reports of alleged crimes in a timely manner. In some cases, the College may request the assistance of local law enforcement officials in the investigation. Victims of a crime who do not want to pursue action within the College system or criminal justice system may make a confidential report with the Executive Vice President for Administrative, Legal, and Governmental Affairs.

The College encourages the reporting of all criminal activity occurring on campus to the security staff and/or local police. The College cooperates fully with any police investigations and will bring charges against perpetrators as appropriate. In addition to or separate from any legal penalties which criminal activity may engender, the College can impose campus-based penalties including but not limited to fines, probation, suspension, or expulsion from the College according to the procedures outlined in the Student Regulations Committee section of this catalog.

When the alleged perpetrators of a reported crime are identified as students, the case will be adjudicated internally and the investigation will be the responsibility of the Executive Vice President for Administrative, Legal, and Governmental Affairs.

Internal judicial or disciplinary measures by the College are not intended to replace or interfere with action in the criminal justice system. Victims of crimes retain the legal right to pursue criminal charges in addition to any internal investigation or proceedings. Criminal investigation by local law enforcement officials, arrest and prosecution can occur independently before, during or after the campus judicial process or employee disciplinary actions. Likewise, the College may pursue its own internal disciplinary measures independent of whether or not criminal charges are filed and/or whether or not they are successfully prosecuted in the criminal justice system

# Timely Warning Policy

**1A.** In the event that a situation arises that in the judgment of the Vice President of Administrative Services or designee constitutes an ongoing or continuing threat, a campus-wide "timely warning" will be issued.

### **Goals**

To carry out this mission, the College has established the following goals with respect to alcohol and illicit drug use:

## **Policy and Program**

To reach these goals, Eastern Gateway Community College has established the following alcohol and illicit drug use policies and programs.

### **1. Environment**

The College believes that quality education can best be achieved in an environment that is conducive to academic pursuits. The College also believes that alcohol and drug abuse are detrimental to the maintenance of such an environment. Eastern Gateway Community College therefore:

A. Forbids the unauthorized possession, use or sale of alcohol or illicit drugs by students on campus, at intern stations, or at practicum sites. Violations should be reported to College staff, who will refer the information to the Executive Vice President for Academic and Student Affairs for investigation and appropriate actions. Some of these penalties include, but are not limited to, written warnings, probation, partial suspension and mandatory participation in a treatment program.

C. Forbids the unauthorized possession, use or sale of alcohol and/or illicit drugs on campus by others (i.e. those who are not covered by the student and employee policies of the College). Such persons when discovered will be ordered to immediately leave campus and/or be reported to local law enforcement officials.

D. Forbids alcohol to be purchased, sold, or used on campus during any student function.

## **9. Drug and Alcohol Abuse Education Programs**

### **Education and Instruction**

In order for students to make responsible decisions regarding the use of alcohol and to be cognizant of the health dangers and legal ramifications of drug abuse, students need appropriate and accurate information. To make this available to them, the College provides the following information:

This provision applies to any disciplinary proceeding conducted by the College on or after August 12, 2009.

## **11. Emergency Response and Evacuation Policy**

For the safety of all persons using the College's facilities, emergency alarm and building evacuation procedures are detailed below. All students should read and become familiar with these procedures for their sites.

### **Reporting Fire or Other Emergencies and Building Evacuation Procedures**

1. Any person seeing a fire or heavy smoke during day hours should pull the closest fire alarm box located throughout the buildings. The person should then seek the closest Eastern Gateway employee to report his/her name and the location of the fire. Any other emergency where the safety of persons in the building(s) is in immediate jeopardy also should be handled in the manner above.
2. If no fire or heavy smoke is observed but smoke is smelled or seen, the person noticing the smoke should not pull the alarm box. The person should inform the closest Eastern Gateway employee of the situation. Any other emergency which may require the evacuation of the building(s) should be reported in this manner. If there is any doubt regarding the potential seriousness of the emergency, the procedures outlined in No. 1 should be followed.
3. The bell chime/flashing lights are the signal that the building is to be evacuated because of fire or other emergency.
4. When this signal is heard or seen all students, College employees and visitors should proceed in an orderly manner to the closest exit. All outside exits are marked with a sign over the door. Each classroom has a sign with the closest exit identified. In addition, a map and detailed evacuation instructions are posted in each classroom. All doors should be left open during building evacuation.
5. Once outside, persons evacuating the building should congregate in the closest parking lot, staying at least 300 feet from the building(s). Evacuation of the building(s) does not mean automatic cancellation of class. Students and staff should remain in the parking lot area until a College official (president, vice president, dean or security staff) informs them to leave the grounds. Likewise, no person should re-enter the building(s) until advised to do so by one of these officials.
6. During evening hours of operation, the emergency notification and evacuation plan will be that outlined above. The evening coordinator will coordinate the alarm and evacuation procedures.

### **Tornado Alert Procedure**

1. Any person hearing a radio or television announcement of a tornado watch should report this information either directly or through a College employee to the switchboard operator.
2. Any person either hearing an announcement of a tornado warning for the immediate vicinity of the College or sighting a tornado should report this information either directly or through operator.
3. The security staff will sound an air horn which signals the imminent approach of a tornado. Upon hearing this sound, students and staff should proceed in an orderly manner according to this plan: Warning is three short blasts on a hand-held air horn, a 15-second delay followed by three short blasts again.

This alert will last for three minutes. Do not panic or run but proceed to the closest emergency shelter area listed below.

**2nd Floor Rooms 2500-2527** will go to ground floor interior hallway, both sides of hallway; stay clear of doors and glass

**Ground Floor Rooms 1500-1546** will go to the ground floor interior hallway, both sides of hallway; stay clear of doors and glass

4. During evening hours information about the approach of a tornado will be delivered to the evening coordinator who will instruct the security staff to sound the alarm. The shelter locations will remain the same. During weekend hours the security guard should verbally instruct persons in the building regarding the location of the closest shelter area.

### **Fire and Tornado Information Distribution and Alarm Test Procedures**

1. At least one time each semester the College will sound the evacuation and tornado alarms so that the students and employees are familiar with each signal. The alarm signal will be sounded each day of the week at an announced time during the day and evening hours. The dates and times for the sounding of alarms will be published in Newsbreak. Students will not leave class or the building during the test procedure. Students or employees who cannot hear the alarm(s) should report this fact and the location to the security staff or executive Vice President for Academic and Student Affairs.

2. Any time either alarm system sounds other than announced system tests times and dates all students, visitors and employees will implement the evacuation or tornado procedures. In case of any doubt when the alarm sounds, it should be assumed that the situation is not a test but a real emergency.

When a potential threat to the campus community occurs, timely warnings will be issued through the campus email system, SNAP (Student Notification Alert Program), or other appropriate means. Members of the Administration will notify the community at large as it is deemed appropriate.

The College tests the emergency response and evacuation procedures annually by scheduling a table top and/or initiating an announced or unannounced functional or full scale exercise. Notification of the Emergency Responses and Evacuation procedures will be emailed to the campus community prior to the annual test. Testing of the annual plan will be documented with a description of the exercise, the date the test was held, the starting and ending time, and if the test was announced or unannounced.

All members of the College community are expected to act toward one another in a manner consistent with our values and mission. The College will not tolerate sexual offenses committed on campus sites or any

off-campus, College-sponsored activity. While the College does not condone any form of immoral or illegal sexual conduct, no one at the College should presume that the threat of sexual assault does not exist.

## **Sexual Assault Awareness**

Generally, sexual assault is any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. It is an extreme form of sexual harassment and abuse, and will be considered a serious offense by the College.

These are free and available in the self-help brochure rack located in the record/financial aid office complex. Referral to local sexual offense prevention and victim support services is available through the College's counseling staff.

## **Procedures to Follow in the Event of Sexual Assault**

The College strongly encourages any student who has been sexually assaulted either on or off campus to contact the security officer on duty, Executive Vice President for Administrative, Legal, and Governmental Affairs, information visitor counter receptionist, or evening coordinator.

Victims of such offenses should preserve evidence in support of a criminal offense and report the offense to the local police who will have jurisdiction in the matter and to the security supervisor or officer on duty who will assist the victim in contacting the police if requested.

## **Victim Services and Accommodations**

Campus Advising Services provides for confidential counseling services to students who are victims of sexual assault. In addition, Campus Counseling Services can provide information regarding other off-campus resources for sexual assault victims.

Sanctions up to and including dismissal from the College may be imposed. Both the accused and the accuser are entitled to the same opportunities to have others speak at the disciplinary proceeding. Furthermore, both the accuser and the accused shall be informed of the outcome of the disciplinary proceeding.

Persons found guilty of a sexual offense may be subject to campus-based penalties in addition to or separate from legal penalties which may occur including but not limited to: fines, probation, suspension, or expulsion from the College. In cases where the College is considering campus-based penalties: The accused and accuser will have the same opportunity to have others present during the proceedings, and both will be informed of any outcomes of the proceedings; in addition to other rights and procedures for such proceeding contained in the student regulations section of this catalog. Upon request from an alleged victim of a sexual offense, the College will attempt to change a victim's academic situation if this is directly related to the alleged offense, and other accommodations are reasonably available.

Eastern Gateway Community College will, upon written request, disclose to the alleged victim of any crime of violence, or a non-forcible sex offense, the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. ### **Registered Sex Offenders**

The Higher Education Act of 1965 requires institutions of higher education to advise its campus community where it can obtain information about registered sex offenders if such an offender is registered at the College. The local sheriff's offices are required to notify the College if a sexual offender residing in Columbiana, Jefferson, Mahoning or Trumbull counties is attending EGCC. Should the College receive such a notification, students will be advised to seek information regarding local sex offenders from the Ohio Attorney General at <http://icrimewatch.net/ohio.php>
