

1. Open 'Email'

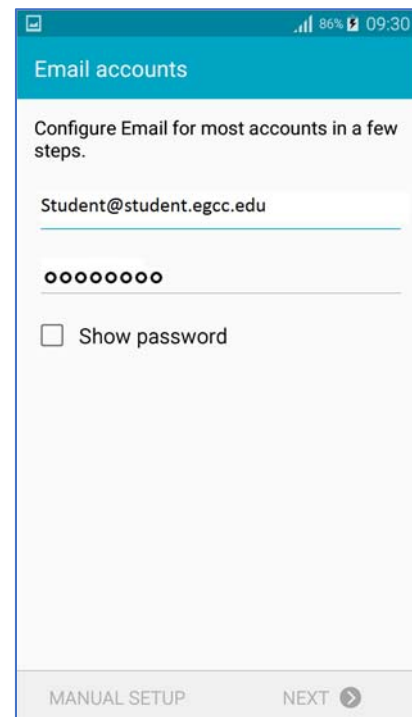

2. Click the Settings Button then 'Manage Accounts'

3. Click the Plus to Add and Account

4. Enter your Full Student Email and password

5. Select 'IMAP Account'

The screenshot shows the 'Add email account' screen. At the top, there is a back arrow and the text 'Add email account'. Below this, the question 'What type of account?' is displayed. Three buttons are visible: 'POP3 ACCOUNT', 'IMAP ACCOUNT', and 'MICROSOFT EXCHANGE ACTIVESYNC'. The 'IMAP ACCOUNT' button is highlighted, indicating it has been selected.

6. Enter your Full Student Email address in both the Email Address and User Name fields. Fill in the other settings as show below then click 'Next'

The screenshot shows the 'Incoming server settings' screen. It includes the following fields and settings: 'Email address' (student@student.egcc.edu), 'User name' (student@student.egcc.edu), a 'Show password' checkbox (unchecked), 'IMAP server' (imap.gmail.com), 'Security type' (SSL), 'Port' (993), and 'IMAP path prefix' (Optional). A 'NEXT' button with a right arrow is at the bottom right.

7. Fill in the SMTP settings as shown below. Again, enter your Full Student Email in the User Name field:

The screenshot shows the 'Outgoing server settings' screen. It includes the following fields and settings: 'SMTP server' (smtp.gmail.com), 'Security type' (SSL), 'Port' (465), 'Require sign-in' (checked), 'User name' (student@student.egcc.edu), and a 'Show password' checkbox (unchecked). A 'NEXT' button with a right arrow is at the bottom right.

8. Choose your Settings

The screenshot shows the 'Account options' screen. It includes the following settings: 'Period to sync Email' (2 weeks), 'Sync schedule' (Manual), 'Peak schedule' (Manual), 'Sync Email' (checked), 'Notify me when email arrives' (checked), and 'Auto download attachments' (unchecked). A 'NEXT' button with a right arrow is at the bottom right.

9. Name Your Account and click 'Done'

The screenshot shows an iPhone interface for setting up an email account. At the top, there is a teal header with the text "Email accounts". Below the header, a message states: "Your account is set up and is ready to send and receive emails." Underneath this message, there are two text input fields. The first is labeled "Give this account a name (Optional)" and the second is labeled "Your name (Displayed on outgoing messages)". At the bottom of the screen, there is a grey button labeled "DONE". The status bar at the top of the phone shows a signal strength icon, a Wi-Fi icon, 87% battery, and the time 09:25.
