

Taking a Quiz

To take a quiz, you will need to find the quiz (can be called quiz, test, exam, etc.) within the Path of your course.

Make sure you review the settings of the quiz before you attempt it. This will tell you how long you have to take the quiz, how much the quiz is worth, how many questions are on the quiz, how many attempts you have to take it, and if there are any learning objectives aligned. When you are ready to begin, click on 'ATTEMPT QUIZ.'

Once you start the quiz, you will see two ways to navigate the quiz and information to help you know what you have done and how much further you have to go along with how much time you have left.
