**Catalog Addendum:**

List the detailed changes to the catalog, i.e. updated curriculum grid, updated tuition or fee, updated policy, etc.

Effective June 22, 2020, the Office of Disability Services will be renamed the Office of Accessibility Services. The name change is reflective of our core mission - to meet each student where they are to ensure they have the skills and resources to be successful in their community and competitive in the economy. By transitioning to the Office of Accessibility Services, we are aligned with best practices at other institutions, while remaining compliant with laws that require the Office to be easily identified.

The new name will immediately be reflected on its website, currently <https://egcc.edu/students/student-support-services/disabilities/>, and all digital marks. Printed materials, such as signage, official documents and college business materials, will be updated as reprinted and as necessary.

Dawn Gombar will continue to serve as the interim director and the renaming will not change staffing or services.
