Alumni Spotlight

MEET ALUM - TyEra Sanders!

1. EGCC graduation year and major: 2021 Business Administration
2. Current job title? Recruiting & Onboarding Coordinator
3. Why did you choose EGCC? I wanted a school that was flexible and gave me the chance to learn on my own but still with the structure of a physical classroom.
4. How was your education at EGCC influenced or helped you in your life and career? It gave me the tools necessary to keep continuing my education. I'm currently finishing up my BS in Human Resource Management at Franklin University and plan to finish in December.
5. How are you connected to EGCC as an alum? I plan on leading an Alumni chapter in my location very soon!
6. What are one or two of your proudest professional or personal accomplishments that occurred after graduating from EGCC in which your education played a role? I was able to graduate Cum Laude which was an extreme accomplishment for me.
7. Favorite thing about your time at EGCC: My favorite class was my marketing class because I got to design a entire marketing plan for a company that I shop from consistently.

Give me the spotlight!

ALUMNI ADVISORY COUNCIL

The EGCC Alumni Association has a newly established Alumni Advisory Council! The purpose of this council is to enhance the Alumni Association and provide feedback to further the vision and mission of Eastern Gateway Community College from an alumni perspective. There are 20 alumni members that have been appointed to the council that will meet regularly to discuss alumni programming, weigh-in on college issues, and work special task forces. Each council member will serve a minimum of a one-year term (not to exceed three). New council members and reappointed members will begin new terms each June. Look for the November edition of the Gator Grad Gazette to meet the new Alumni Advisory Council of 2022-2023!

Gator Giveback.

As Gator Alumni, YOU are a vital part of the ongoing success of Eastern Gateway Community College and its students. Taking part in the Gator Giveback Challenge can help make a great impact on your alma mater. While ANY contribution amount is needed and highly appreciated, we challenge you to give back in the amount of your graduation year (example: if you graduated in 2019, you would donate \$20.19). Your contribution will assist current and future students by providing essential dollars for tuition assistance, academic programs, and student activities. It will also provide funding for alumni programs such as the alumni dinner, networking events, and more.

Have you graduated or completed a new program recently?

Please know that your diploma will be ordered after all grades from your last semester are posted, and the Dean of your program provides final approval. Diplomas may take 6 to 8 weeks to arrive via mail to your address on file with the college once the college places the order. Please ensure your address is up to date, as we will use the address you have on file with the Registrar's office. This address is where your diploma will be mailed. Your EGCC transcript will also be updated to reflect your graduation status. An official copy of your transcript can be ordered through the [National Student Clearinghouse](#) link. The transcript is the document institutions and employers will request for graduate verification.
