**EASTERN GATEWAY COMMUNITY COLLEGE**  
**COLLEGE CATALOG 2023-2024 ADDENDUM**

**ORIGINAL CATALOG PUBLISHED March 2023**

**Addendum approved by cabinet (date): 07-20-2023.**

**Addendum published (date): 07-25-2023.**

**Catalog Addendum Purpose:**

What is the purpose of this addendum? To replace the current program learning outcomes listed within the description of the Dental Assisting Certificate program with new program learning outcomes.

**Catalog Addendum Effective Date:**

What is the effective date of this addendum? 5/31/23

**Catalog Addendum:**

List the detailed changes to the catalog, i.e. updated curriculum grid, updated tuition or fee, updated policy, etc.

Upon completion of the Dental Assistant program at EGCC, students will achieve the following outcomes:

- 1-Demonstrate a working knowledge of dental terminology and the dental sciences.
- 2-Provide oral health instruction to dental patients and community groups.
- 3-Collect systematically and record accurately diagnostic and clinical data.
- 4-Employ current principles of effective chairside assisting for general and dental specialty procedures and dental/medical emergencies.
- 5-Prepare and manipulate chairside and dental laboratory materials and fabricate dental models, trays, and appliances.
- 6-Perform effectively patient reception and dental business office procedures
- 7-Demonstrate proficiency in performing special functions for Ohio certified dental assistants.
- 8-Communicate effectively and establish positive working relationships with patients and members of the dental health care team.
- 9-Implement current principles and guidelines of dental infection control and hazards management.
- 10-Function in a professional and ethical manner.

The above information replaces, supplements, or updates, the corresponding section(s) of the 2023-2024 Catalog. [List the section or subsection(s) to which the addendum specifically applies.]

The above information replaces the current program learning outcomes listed as follows:

Upon successful completion of the dental assisting program options, the graduate will be able to:

- Demonstrate a conduct of ethical, legal, and professional standards in personal, clinical, and patient care.
- Demonstrate interpersonal communication skills with patients, dental health teams, and other related health professionals.
- Meet the necessary requirements to successfully pass the state and national examination in all areas of clinical practice of dental assisting (infection control, radiology, chair side assisting, and related sciences).
- Practice proper infection control as well as personal, clinical, and patient safety in all aspects of dentistry.
